

I am excited to begin working with all of our incoming 5th grade band students! In order to make the transition as smooth as possible, please make sure you have taken care of securing an instrument and the necessary supplies. This can be taken care of at rettigmusic.com or you may call them at 1-800-52MUSIC. They will be delivered prior to the Summer Quick Start.

Instrument

- I have listed the roster and instrument choices on the following page. Students that were selected for percussion have been noted on the roster. I placed the other students who auditioned for percussion in the section of their second choice. Please email me any changes or corrections: ruckman.dan@coldwatercavs.org.
- If you have a used instrument that you would like to have sent to the music store to be looked over, please send it to school with your name and phone number on it and I will send it to the music store to be evaluated.
