- The 7-8 grade bands will sit and play with the HS Band during the game. This year they will only perform one tune at halftime. No pregame.
- Students should wear Coldwater Clothing- or Orange and Black. Dress appropriately for the weather- I would suggest layering.
- You may pick up your student Following halftime. If they stay for the entire game they will march back to the Band Room and may be picked up in the South parking lot of the school.
- Students may purchase food/drinks at the concession stands during the 3rd quarter.

Students will need a flip folder/lyre for halftime and stands music. These can be purchased at any music store or online.
